**EXTA24, 7,5 credits, G1 (First Cycle)**

Valid for: 2023/24

Faculty: Faculty of Engineering, LTH

Decided by: PLED B/K

Date of Decision: 2023-04-18

### **General Information**

**Language of instruction:** The course will be given in Swedish

### **Aim**

Swedish for Exchange Students: Level 1

### **Learning outcomes**

#### *Knowledge and understanding*

For a passing grade the student must

- be able to account for a few very simple grammatical structures and syntax patterns from a set studied
- be able to describe a few cultural aspects of Swedish society, such as certain customs

#### *Competences and skills*

For a passing grade the student must

- be able to ask and respond to simple questions orally and make and respond to simple statements in familiar areas (oral proficiency)
- be able to write very short texts with short phrases and sentences describing, for example, family, home situation or educational background (written proficiency)
- be able to follow and summarise slow and clear speech (listening comprehension)
- be able to read and summarise short texts featuring highly frequent words, including certain shared international words (reading comprehension)

#### *Judgement and approach*

For a passing grade the student must

- be able to identify the personal need for further knowledge and skills in the subject.

## Contents

The course consists of teaching and practical exercises in Swedish. The vocabulary, pronunciation and sentence structure of the Swedish language are dealt with. Work on texts and oral exercises are included.

## Examination details

**Grading scale:** TH - (U,3,4,5) - (Fail, Three, Four, Five)

**Assessment:** The assessment is based on a written and an oral exam at the end of the course.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

## Admission

**Admission requirements:**

- For admission to the course, students must have general eligibility for higher education studies in Sweden, with the exception of proficiency in Swedish

**The number of participants is limited to:** No

**The course overlaps following course/s:** SVEE11
